

Get It?

A short play

By Jarred Corona

AT RISE: Nothing.

BECKY enters. She's looking around. She stops. Looks at the audience.

BECKY

Oh. Huh. Well. That's a choice. Huh. Here's the question Becky: Do I hate it?

BUCKY enters. He's on his phone.

BUCKY

Hate what?

BECKY

Bucky. Get off your phone.

BUCKY

No.

BECKY

Look at this.

BUCKY looks at the audience.

BUCKY

Whoa.

BECKY

Right?

BUCKY

Huh.

BECKY

That's what I said.

BUCKY

It's...

BECKY

I know. Not going back to your phone?

It's just... What?

BUCKY

Yeah.

BECKY

It's so...

BUCKY

Mhm.

BECKY

Why?

BUCKY

I don't know.

BECKY

LUCKY enters.

Do I hate it?

BUCKY

Do you?

BECKY

Do you?

BUCKY

LUCKY

You guys playing the question game? Am I playing it now?

BECKY

Look at that.

LUCKY looks at the audience.

LUCKY

What about it?

Huh.	BECKY
He doesn't get it.	BUCKY
Maybe he does get it.	BECKY
Get what?	LUCKY
That.	BECKY
What's to get?	LUCKY
I don't know.	BECKY
It's just... You know?	BUCKY
They took a risk.	LUCKY
Well, yeah.	BECKY
That's a word for it.	BUCKY
But did it pay off? I don't know.	BECKY
You think I do?	LUCKY
Seems like you do.	BUCKY

Well, I don't. Do you?	LUCKY
Obviously not.	BUCKY
Wait. I think I get it.	BECKY
Congrats.	LUCKY
Thank you.	BECKY
Well?	BUCKY
What?	BECKY
Are you going to share?	BUCKY
No.	BECKY
Why not?	BUCKY
You have to get it to get it, and if you don't get it, then us telling you about it won't help you get it, you'll just be confused.	LUCKY
I'm already confused.	BUCKY
What's confusing about it?	BECKY
All of it.	BUCKY
